SEARUC College Tour Stops in Palm Beach Gardens

Commissioner Ronald Brisé hosted a College Tour at Palm Beach State College on Thursday, November 10. Sponsored by the Southeastern Association of Regulatory Utility Commissioners (SEARUC) and Palm Beach State College, the Tour helped students from all academic backgrounds learn about career opportunities in the energy, telecom, and water and wastewater industries. Representatives from Florida Power & Light, Tampa Electric, Gulf Power, Solid Waste Authority of Palm Beach County, AT&T, Consumer Energy Alliance, and the American Association of Blacks in Energy participated. Commissioner Brisé is the immediate past president of SEARUC.
