Hurricane Proofing Your Home

The Florida Public Service Commission (PSC) has several tips to prepare your home for severe weather.

Tips Include:

- ◆ Protecting your home's water supply;
- ◆ Electric safety; and
- ◆ Portable generator recommendations.

View the PSC Hurricane House and learn how to prepare your home.

Each month this year the PSC is recognizing partners who are helping the Commission in its outreach efforts!

Older Americans Month

The PSC celebrated this year's theme, "Unleash the Power of Age," with educational workshops throughout the state.
