

# Commissioner Mike La Rosa Participates in Round Table

On May 23 and 24, Florida PSC Commissioner Mike La Rosa participated in the **19<sup>th</sup> Annual Utility Commissioners and Wall Street Dialogue** hosted by Gee Strategies Group. The round table discussion included Commissioners, Consumer Advocates, staff and key members of the investment community.

*The discussion was aimed at educating public utility commissioners and staff about the perspective of the financial community towards the role of regulation of the utility industry. Topics covered were the challenges in the current business environment, outlooks from credit rating agencies and debt analysts, and viewpoints from investors and equity analysts.*
