

The Florida Public Service Commission's
Super Tuesday Consumer Forum

Kimberly Moore, CEO Workforce Plus, and PSC
Commissioner Lisa Polak Edgar

The PSC's Super Tuesday Consumer Forum brought consumer groups together to learn how government agencies can better assist their clients with the wealth of informational materials and programs available. In turn, state agencies learned to understand the needs of Florida's consumer agencies to find better ways to raise consumer awareness.

Pat Smlth, Press Secretary, Department of Children and
Families; and Bev DeMello, Assistant Director,
