TUESDAY AFTERNOON BREAK-OUT SESSIONS

We are happy to offer some excellent opportunities to network and meet your fellow conference attendees while enjoying the wonders of the Tampa Bay/ St. Petersburg area. All adventures require a minimum number of attendees to go live, therefore if we do not meet those minimum numbers; your money will be refunded to you at the conference when you pick up your registration package.

Option 1 – Brew Bus Adventure

\$60.00

RAISE YOUR GLASS! Craft beer is all the rage and the Tampa Bay area has some fantastic craft breweries. Join us on a private brewery tour of two of Tampa Bay's best breweries, including Cigar City Brewing. We will be riding on the Brew Bus, which will pick us up at the Grand Hyatt. The Brew Bus is licensed to serve their craft Brew Bus beer on the way. This adventure includes 4 pints of beer, a complementary koozie, water on board and more. Dress is casual. Please note that closed toed shoes are required for brewery tours. <http://www.brewbususa.com/tours/tampa-bay/>, <https://cigarcitybrewing.com/>

Option 2 – St. Pete Art Class Adventure

\$75.00

GET YOUR GLASS ON! Attendees will savor a glass of wine, champagne, beer or soft drink while enjoying a guided gallery tour by Artist Duncan McClellan. The gallery features rotating exhibitions showcasing nationally and internationally recognized glass artists. We will also create a personalized etched drink glass that will be sandblasted by the gallery, which we will get to take home at the end of the adventure. We will be able to select a glass of choice: wineglass, champagne flute, beer stein, etc. Transportation will be via a Brew Bus shuttle, so you will enjoy complementary craft Brew Bus beer to and from the gallery. <http://dmglass.com/>

Option 3 – Dolphin Sightseeing Adventure

\$50.00

DOLPHINS AHEAD! We cannot leave Florida without seeing the majestic dolphins playing in the beautiful Florida waters. Attendees will experience a wonderful 75 minute cruise in Tampa Bay, guided by a Florida Aquarium experienced naturalist. The Wild Dolphin Cruise is a Dolphin SMART participant, so dolphins are seen 85-90% of the time, however, we will definitely see other Florida wildlife, including the occasional manatee or sea turtle. Transportation will be via a Brew Bus shuttle, so we will enjoy complementary craft Brew Bus beer to and from the Port. <http://www.flaquarium.org/explore-the-aquarium/wild-dolphin-cruise.aspx>
