Complaint - A form of case that involves a substantial unresolved objection regarding a regulated utility, as it relates to charges, facility operations, or the quality of the services rendered, the disposal of which requires an investigation and/or analysis by PSC staff.

Complaint Activity - The total number of complaints logged with regulated utilities or resolved within a given period of time.

Complaints Logged - The number of complaints received from customers filed with the utilities.

Complaints Resolved - The number of complaints handled by the PSC staff, which determines whether a utility is in apparent violation or apparent nonviolation of PSC rules, company tariffs, or policies.

Information Request - A form of case that involves providing facts, reference material or other data but does not involve a substantial unresolved objection by a consumer regarding a regulated utility.

Service - A complaint having to do with the delivery of the service provided by the utility, exclusive of billing concerns.

Telephone Transfer Connect (Warm Transfer) - A call to the PSC can be directly transferred to the utility in question, if the consumer has not yet expressed his concerns to that utility.
