

Florida Public Service Commission **SPECIAL REPORT**

NOVEMBER 2010

Quality of Service Customer Meeting for **Four Points Utility Corporation**

Four Points Utility Corporation (Four Points) was granted water and wastewater certificates and initial rates and charges by the Florida Public Service Commission (PSC or Commission) by Order No. PSC-07-0280-PAA-WS, issued on April 2, 2007, in Docket No. 050595-WS. Four Points does not currently have an application before the Commission to change its rates; however, the Commission has received numerous complaints regarding the utility's billing practices and customer service. The purpose of this meeting is to give customers of Four Points and other interested persons an opportunity to ask questions or offer comments to Commission staff regarding the quality of service provided by Four Points.

QUESTIONS & ANSWERS

1 Is Four Points requesting a change in its water and wastewater rates?

No. Four Points does not currently have an application before the Commission to change its rates; however, the Commission has received numerous complaints regarding the utility's billing practices and customer service. Commission staff is reviewing those complaints.

2 When was Four Points' last approved rate increase?

Four Points' water rates have not changed since initial rates and charges were approved in 2007. Effective May 1, 2008, Four Points was granted a wastewater rate increase to pass through the increased cost of

wastewater treatment service purchased from Polk County.

3 What are Four Points' current rates and charges?

VACANT

COMMISSIONER

Art Graham was appointed to the Florida Public Service Commission by Governor Charlie Christ in July 2010 to fill an unexpired term through January 2014. In October 2010, he was elected Chair of the Commission through January 1, 2012. ♦ Prior to his appointment, Chairman Graham served on the Jacksonville City Council. Among his duties as a Council Member, Chairman Graham helped oversee the budget of JEA, a publicly owned electric, water, and wastewater utility, and chaired the Transportation, Energy and Utilities Committee. He also served on the Jacksonville Beach City Council from 1998 to 2002. ♦ Chairman Graham is a past chair of the North Florida Transportation Planning Organization and vice president of the Northeast Florida Regional Planning Association. He was President of ART Environment Consulting Services from 2005 to 2009 and was a recovery engineer with Georgia Pacific Pulp and Paper from 1995 to 2002. A sales engineer with Betz PaperChem from 1991 to 1995, Chairman Graham was a regional sales manager from 1989 to 1991 for Goodyear Tire and Rubber, where he also held an application engineer position from 1988 to 1989. ♦ Chairman Graham received a bachelor's degree in chemical engineering from the Georgia Institute of Technology in Atlanta. He is also a 2001 graduate of Leadership Jacksonville and a 2008 graduate of Leadership Florida.

Lisa Polak Edgar was appointed to the Florida Public Service Commission (PSC) by Governor Jeb Bush for a four-year term beginning January 2005. From January 2006 to January 2008, she served as Chairman and participated as a member of the Florida Energy Commission and the Governor's Action Team on Energy and Climate Change. Governor Charlie Crist reappointed Commissioner Edgar to a second four-year term, January 2009 through December 2012. ♦ During her first term, Commissioner Edgar worked to develop policies to strengthen the state's electric infrastructure to better prepare for, and withstand, storm events; to establish net metering and interconnection rules that encourage customer participation and renewable energy development; to further the diversification of Florida's fuel supply; to effectively reform the collection and distribution of Universal Service funds; and to broaden stakeholder participation. ♦ Commissioner Edgar served on the Federal Communications Commission Universal Service Joint Board from 2005 through 2009 working for efficient, accountable and fiscally responsible use of Universal Service funds. She is currently a member of the National Association of Regulatory Utility Commissioners Board of Directors, as well as the Committees on Electricity and Consumer Affairs. ♦ Prior to joining the PSC, Commissioner Edgar served as Deputy Secretary for the Florida Department of Environmental Protection (DEP). Her responsibilities at DEP included executive management oversight of the agency's \$2.1 billion budget, fiscal and strategic planning, accountability measures, information technology, administrative services, Florida Geological Survey, and coordination between the state and federal government on environmental issues, including proposed and existing oil and gas drilling on the Outer Continental Shelf. Commissioner Edgar represented the State of Florida on the Minerals Management Service Outer Continental Shelf (OCS) Policy Committee from 1993-2004, and on the Subcommittees on Environmental Studies in OCS Areas under Moratoria and OCS Hard Minerals. ♦ Commissioner Edgar received her Bachelor of Science and Juris Doctorate degrees from Florida State University and is a member of the Florida Bar. She is a member of Leadership Florida and the Capital Tiger Bay Club, and serves on the Board of Directors of Sustainable Florida—Collins Center. ♦ Commissioner Edgar and her husband are members of Killlearn United Methodist Church and are raising their two active children in Tallahassee.

Commissioner Skop previously served on the NARUC Committee for Consumer Affairs and the Committee on Energy Resources and the Environment. ♦ Prior to his appointment, Commissioner Skop gained over thirteen years of engineering, manufacturing, operations, program management, and financial management experience working for Fortune 500 corporations. ♦ Commissioner Skop began his professional career as a nuclear project engineer with the Electric Boat Division of General Dynamics Corporation in Groton, Connecticut. As a member of the Advanced Propulsion Plant Technology Program he participated in the design, integration, and qualification testing of nuclear submarine propulsion system turbomachinery for the USS SEAWOLF (SSN 21), and participated in the initial criticality and power range testing of the USS SANTA FE (SSN 763) nuclear submarine reactor plant. ♦ Commissioner Skop continued his professional career as a specialist engineer with the Propulsion Systems and Customer Service divisions of the Boeing Commercial Airplane Group in

PSC Commissioners continued

Seattle, Washington. While serving in these positions he participated in the design, integration, and test of Engine Build-Up installations for Pratt & Whitney engines installed on Boeing 777 aircraft, and supported General Electric aircraft engines installed on Boeing 747, 767, and 777 aircraft. ♦ Prior to attending law school, Commissioner Skop gained substantial renewable energy and energy industry experience as a business manager with FPL Energy (an unregulated subsidiary of FPL Group) through managing nine renewable wind energy projects located in Altamont Pass, California, and a coal fired co-generation plant located in Stockton, California. ♦ Commissioner Skop's extensive power generation experience includes renewable energy (wind and solar), fossil fuel (combined cycle, gas turbine, co-generation, and coal), and nuclear power. ♦ Commissioner Skop graduated from the University of Florida with a BS in Aerospace Engineering in 1991. He later earned an MBA with concentrations in financial management and investment analysis from Rensselaer Polytechnic Institute in 1996, and a JD from the University of Florida Levin College of Law in 2006. Commissioner Skop also holds a graduate level certificate in environmental management from the Hartford Graduate Center and attended an executive education program focusing on mergers and acquisitions at the Wharton School of Business at the University of Pennsylvania. ♦ Commissioner Skop has been quoted in BusinessWeek, The New York Times, and NPR Morning Edition on regulatory policy issues, and had a case comment published in the Journal of Technology Law & Policy for the Levin College of Law at the University of Florida. ♦ Commissioner Skop is admitted to practice law in Florida, a member of the Florida Bar, and serves as a Guardian ad Litem for the Circuit Court of the Second Judicial Circuit in Leon County. ♦ Commissioner Skop was raised in Sanford, Florida. Prior to relocating to Tallahassee to serve in his current position, Commissioner Skop previously lived in Gainesville and Palm Beach Gardens, Florida.

Ronald A. Brisé was appointed to the Florida Public Service Commission by Governor Charlie Crist in July 2010 to fill an unexpired term through January 2014. Commissioner Brisé is a member of the National Association of Regulatory Utility Commissioners (NARUC) and currently serves on the Telecommunications Committee. Before this appointment, Commissioner Brisé served the citizens of North East Miami-Dade (District 108) in the Florida House of Representatives for four years. ♦ As a Representative, Commissioner Brisé was named Democratic Whip from 2006 to 2008 and served as Vice Chairman of the Florida Conference of Black State Legislators. He served on the Education & Economic Development Appropriations, General Government & Health Care Appropriations, and Select Strategic & Economic Planning Councils, was the Ranking Member on the State & Community Colleges and Workforce Appropriation Committee and served on the State Universities & Private Colleges Policy Committee. He also served on the Transportation & Economic Development Appropriations and the Energy & Utilities Policy Committees. Most notably as a legislator, Commissioner Brisé sponsored successful legislation to expand broadband deployment throughout the State of Florida making it possible for underserved areas to have access to broadband technology. Commissioner Brisé was also successful in passing legislation to provide relief from garnishment to heads of families by increasing the amount that heads of families are able to retain in earnings before garnishment. ♦ Recently Commissioner Brisé was the Chief Executive Officer of Strategic Partner Consulting, LLC, which provides leadership and development strategies for corporate clients. Until 2008 Commissioner Brisé was also the Chief Operating Officer for IPIP Corporation, a VoIP telecommunications carrier. Prior to this, he was the Science Department Chairperson at Miami Union Academy from 2000 to 2005 and was also the Academy's Director of Development, Marketing, and Recruitment from 2003 to 2005. ♦ Commissioner Brisé served as a member of the North Miami Planning Commission and is a past president of the Albert C. Pierre Community Center, a member of the NAACP as well as a member of the board of the Haitian-American Scholarship Fund and Miami Union Academy. ♦ Commissioner Brisé received a bachelor's degree in biology education from Oakwood College in Huntsville, Alabama and received MBA degrees in management and marketing from American Intercontinental University in Illinois. He and his wife, JoAn, have one son, Ronald Brisé II and together are faithful members of Tabernacle Seventh-day Adventist Church.
