MARCH 2026

Application for increase in water and wastewater rates by

## **CSWR-Florida Utility Operating Company, LLC**

DOCKET NO. 20250052 – WS

On May 30, 2025, CSWR-Florida Utility Operating Company LLC (CSWR) filed an application with the Florida Public Service Commission (Commission or FPSC) for a rate increase. CSWR provides water and wastewater service to 12,319 water and 7,859 wastewater customers across 11 systems in Brevard, Citrus, Duval, Highlands, Marion, and Volusia Counties.

### QUESTIONS & ANSWERS

#### **1. Why is CSWR requesting a rate increase?**

CSWR is requesting a rate increase to recover the cost of operating the Utility and allow the company an opportunity to earn a fair rate of return on its investment.

#### **2. When was CSWR’s last approved rate case?**

CSWR’s last rate increases vary by system.

#### **3. Is there an opportunity for public input on this rate case?**

Yes. As part of the evaluation process of CSWR’s request, Commission staff will conduct in-person and virtual customer service hearings to allow feedback about CSWR’s quality of service and the rate setting process. Comments will be reviewed before the Commission reaches a decision. Commissioners will attend and participate during the customer service hearings.

Customers may register to speak at the customer service hearings in one of the following ways: (1) register using the FPSC’s online registration form, which will be available at [www.FloridaPSC.com](http://www.FloridaPSC.com), under the “Hot Topics” heading, (2) email [speakersignup@psc.state.fl.us](mailto:speakersignup@psc.state.fl.us), (3) call the FPSC at (850) 413- 7080, or (4) sign-up upon arrival at venue.

Online registration for the in-person March 5th hearings will open on February 19, 2026 at 9:00 a.m., and close at noon on March 3, 2026. Online registration for the in-person March 25th hearing will open on March 11, 2026, at 9:00 a.m., and close at noon on March 23, 2026.

Online registration for the virtual service hearing will open on March 17, 2026, at 9:00 a.m., and close at noon on March 30, 2026.

Please note that the order in which customers will speak is based on the order in which they register. If you have questions about the sign-up process, please call (850) 413-7080.

One day prior to the virtual hearing, customers who signed up to speak will be provided further instructions from FPSC staff on how to participate.

All customers who register to present comments at the hearings are urged to call and arrive promptly at the scheduled hearing place and time, because the hearing may be adjourned early if no customers are present.
