*Numbers may not appear to add correctly because the total is rounded to 4 decimal places. Assumes common transport.

**ITS does not have an entrance facility rate element because of its arrangement with BellSouth. ITS is no longer billing for BellSouth, therefore mileage is 27 miles * 27% = 7.29.

ITS, effective 2/16/01, bills separately from BellSouth and no longer bills access tandem charges for BellSouth.

**Northeast Florida does not have an entrance facility rate element because it subtends BellSouth's tandem. In addition, the access tandem switching rate element is not shown because BellSouth is the access tandem provider for Northeast Florida, and this function is performed and billed 100% by BellSouth.

Switched common transport calculation:

<u>Switched Common Transport (SCT)</u>

Local Channel/Entrance Facility & SCT rates are for zone 2 and first system, if applicable.

When Northeast bills intercompany transport, then Northeast will bill 50% of this rate.
