Re: Rule 25-6.065 FAC

March 27, 2009

Dear Mr. Futrell and Ms. Marr,

The Utilities Commission, City of New Smyrna Beach has developed an Interim Net Metering Rider for UC Residential and General Service Schedules, which was adopted by the Utilities Commission on September 1, 2008. However, no pre-existing private renewable energy customers or other customers have applied for the Rider's provisions to date and consequently no payments or consumption activity have been maintained regarding these customers.

Please contact me if you have any questions.

Sincerely,

Miguel Rodriguez
