Re: Rule 25-6.065 FAC

Dear Mr. Futrell and Ms. Marr,

The City of Homestead/Homestead Energy Services currently does not have any net metered customers. We are working with the Florida Municipal Electric Association to develop a net metering policy and standardized interconnection agreement for small customer-owned renewable generation. We expect to adopt this policy by August 31, 2010.

In the meantime, prior to the formal adoption of this policy, any customer desiring to connect small customer-owned renewable generation will be accommodated.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kenneth J. Konkol', is written over a white background.

Kenneth J. Konkol  
Utilities Assistant Director
