Florida Public Service Commission
Mark Futrell (MFutrell@PSC.STATE.FL.US)
Diana Marr (dmarr@PSC.STATE.FL.US)

RE: Rule 25-6.065 FAC

Mr. Futrell and Ms. Marr:

The City of Blountstown currently does not have any net metered customers. We are working with Florida Municipal Electric Association to develop a net metering policy and standardized interconnection agreement for small customer-owned renewable generation.

Please contact me if you have any questions.

Sincerely,

Emory Pierce
City Manager
