RE: Rule 25-6.065 FAC

Dear Mr. Futrell and Ms. Marr:

The City of Moore Haven currently does not have any net metered customers. We are working with the Florida Municipal Electric Association to develop a net metering policy and standardized interconnection agreement for small customer-owned renewable generation. We expect to adopt this policy within this budget year.

Please contact me if you have any questions.

Sincerely,

*Jerri Lynn Schlueter*
