RE: Rule 25-6.065 FAC – 2014 Net Metering Report for City of Mount Dora

Dear Mr. Futrell and Ms. Marr,

The City of Mount Dora approved a resolution on April 6, 2010 to implement its Net Metering program. The resolution amended the power supply contract with Duke Energy, adopted Standard Interconnection Agreements, and approved the Net Metering Rate Schedule. The Florida Public Service Commission approved the City's Net Metering Rate Schedule with an effective date of May 1, 2010.

The City currently has four Net Metering customers that are interconnected with the system grid. Details for Calendar Year 2014 are summarized in Attachment A.

Please contact me if you have any questions.

Very truly yours,
