RE: Rule 25-6.065(10) FAC – 2015 Report on Customer-Owned Renewable Generation for the City of Mount Dora

Dear Mr. Futrell and Ms. Roberts,

The City of Mount Dora approved a resolution on April 6, 2010 to implement its Net Metering program. The resolution amended the power supply contract with Duke Energy, adopted Standard Interconnection Agreements, and approved the Net Metering Rate Schedule. The Florida Public Service Commission approved the City's Net Metering Rate Schedule with an effective date of May 1, 2010.

The City currently has five Net Metering customers that are interconnected with the system grid. Details for Calendar Year 2015 are summarized in Attachment A.

Please contact me if you have any questions.

Very truly yours,
