

Florida Public Service Commission

Subject: Rule 25-6.065(10) FAC

Dear Ms. Roberts and Ms. Marr,

The City of Wauchula does have a net metering policy and rate.

Our first net metered customer has just installed an RGS at their residence and the City has a bidirectional meter on order to register the kilowatts delivered vs kilowatts produced by the RGS. Therefore, we will not have any information to report by the April 1, 2018 deadline for report filing.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "James A. Braddock". The signature is fluid and cursive, with the first name being particularly prominent.
