**Section 366.92(3), F.S., for the Standards Established for the Promotion, Encouragement and Expansion of Renewable Energy, Energy Efficiency and Conservation.**

**1) Introduction**

City of Quincy

423 West Washington St. Quincy Fl. 32351

Robin Ryals:

Utility Director  
850-618-0040  
850-875-7357  
rryals@myquincy.net

**2) Standards or policies that promote, encourage and expand the use of renewable energy and/or energy conservation and efficiency measures.**

**We currently offer no measures related to a form of financial savings, other than what they receive from the placement of panels or other electricity producing equipment.**

**3) Summary of programs**

**We offer free walk thru Energy Audits and will contract outside professionals if needed to assist customers with electric, water and natural gas abnormally high usage.**
