Re: Rule 25-6.065

Dear Mr. Cordell and Ms. Mtenga,

The City of Moore Haven currently does not have any net metered customers. We are working with the Florida Municipal Electric Association to develop a net metering policy and standardized interconnection agreement for small customer-owned renewable generation. We expect to adopt this policy in the near future.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Larry Tibbs".

Larry Tibbs
City Manager
