Re: City of Newberry – CY2021 Rule 25-6.065(10), F.A.C. Report on Customer-Owned Renewable Generation, Interconnection and Net Metering

Lydia or Daniel:

On behalf of the City of Newberry, the referenced report is hereby filed by the Florida Municipal Power Agency (FMPA), as required. It's possible that Newberry's report was previously filed by the city itself, but in an abundance of caution, we are filing it as well.

Please contact our office if you have any questions.

Sincerely yours,
