Good afternoon,

The City of Blountstown adopted a Net Metering Policy on June 11, 2019. At the end of 2019, we had 2 customers who participated in this program. At the end of 2020, we had 5 participants, and at the end of 2024, it has increased to 20 participants. I anticipate we will continue to see the number of participants increase annually.

Attached is the Interconnection and Net Metering spreadsheet for calendar year 2024 from the City of Blountstown.

Please contact me if you have any questions.

Sincerely,

Jaci 8
