**Re: FPL's Responses to Staff's Questions from the September 27, 2007
Renewable Portfolio Standard Staff Workshop**

Dear Mr. Futrell:

At the Renewable Portfolio Standard (RPS) workshop held on September 27, 2007, Commission Staff invited interested parties to submit responses to Staff's questions posed in its presentation regarding RPS Compliance and Enforcement. Attached please find FPL's responses to Staff's questions. FPL has also submitted for Staff's consideration an RPS proposal, referenced in FPL's responses, that reflects FPL's thinking to date with respect to objectives, design and implementation of an RPS for Florida.

If you or other members of Commission Staff have any questions regarding this submission, please contact me at (561) 304-5253.

Very truly yours,

/s/ Bryan Anderson
