Subject: Smart Meters- Opposed
Attachments: 10-2-2012 Letter PSC I am Opposed to Smart Meters.docx

Dear Public Service Commission,

Attached find my formal letter in opposition to Smart Meters.

This is my second letter since the hearing I watched on TV. I have friends and family who are in opposition who feel threatened by the meter and I am concerned for their welfare. Although this type of meter is not yet being installed in my area yet, Palm Harbor , I would hope it is banned from it ever comes here.

Thank you for hearing my opinion.
Sincerely,
Deb Caso Kurin
