

TASA Advisory Committee Meeting – October 29, 2024
Florida Telecommunications Relay, Inc. (FTRI)

Presentation Points

- 1) Overall, FTRI is doing well; we have both a great team and working relationship with Regional Distribution Centers statewide.
- 2) See **2024 (rev) FTRI Annual Report** as attached; see key data.
- 3) Statewide FTRI Services in Florida are being impacted by four Hurricanes in the last 15 months.
- 4) Several New Products being introduced, all landlines.
- 5) Plans are now underway to get TASA modernized at the upcoming 2025 Legislative Session, and there are potential challenges to this effort.
- 6) FTRI will hire a new Outreach Specialist to help with Outreach Activities, primarily in North Florida.
- 7) Thank you. Any Questions?

Cecil Bradley, Executive Director
Florida Telecommunications Relay, Inc.
